

# Nomination for Young Industry Ambassador Application Form

Dear Nominator of the Young Industry Ambassador (YIA)

Your YIA nomination will support the Victorian Government's *Careers in Manufacturing* program aimed at year 9 and 10 students across the state. YIAs will be provided with some training and arrangements made with their employer to allow them to speak at local secondary schools about a worthwhile occupation in the manufacturing and engineering industry. Out-of-pocket expenses for YIAs will also be covered by the Careers in Manufacturing program. Further information can be obtained from Judith Graham, see contact details below.

*(Please print clearly and ensure each section is complete for nominations to be accepted.)*
